

PS65-15 DIN DC power supply unit for DIN rail

Universal DC power supply with DIN rail mounting and PE terminal connection. Power supply dedicated for ACO products, for video and audio systems: CDNP, INSPIRO+, Familio/COMO (P/PV/PRO), as well as for systems where active (powered) audio receivers are used, such as INS-UP720MR, UP800.

Index	PS65-15 DIN
Device type	DC power supply
Dimensions (mm)	4 DIN modules (71x91x59)
Mounting	DIN rail or surface-mounted
Current	max. 4A
Moc	max. 65W
Voltage	Input: 100-240V AC, 50/60Hz Output: 15V DC
Outputs	4 x screw connections (detachable): - 15V DC connection: +DC, +DC, +DC, -DC, -DC
Inputs	3 x screw connections (detachable): - 230V AC connection: PE, L, N
Attributes	Dedicated to systems: - video/audio: CDNP, INSPIRO+, Familio/COMO (P/PV/PRO) - with receivers that require additional power supply (active), e.g. INS- UP720MR, UP800 <ul style="list-style-type: none"> • compatible with other systems • universal • type: impulse (efficiency up to 91%) • thermal, overload and short-circuit protection • LED indicating power supply • Cooling by free air flow • Compatible with all ACO systems
